restructuring Hagen F. Lothes – new corporate form and data;

As you may know from the last 40 years, our company is working close together with the company A. Vieregge-Elsethal GmbH, which provides manufacturing and handling for us, and with which we share management, office and much more.

To simplify our internal processes, we decided to unite both companies under the new corporate name **Hagen F. Lothes GmbH**.

With this new corporation, nothing changes for you and our day-to-day business. Your contact persons, and almost everything, stays the same

Only some company data change:

- the corporate form: Hagen F. Lothes GmbH (without ...& Co. KG)
- commercial register number: HRB 2948 at AG Iserlohn
- bank details: For future, please refer preferably to the new bank accounts you find on the left of this page
- VAT number: DE 239 099 330
- D.U.N.S. number: 317 362 960

If you have any further questions, please do not hesitate to contact us.

Best regards,

Dipl.-Ing. Katharina Esser

- managing director -
